Consequences of revocation

If you withdraw from this contract, we shall reimburse you all payments we have received from you, including the delivery costs (with the exception of the additional costs resulting from the fact that you have chosen a type of delivery other than the cheapest standard delivery offered by us), without undue delay and at the latest within fourteen days from the day on which we received the notification of your withdrawal from this contract. For this refund, we will use the same means of payment that you used for the original transaction, unless otherwise expressly agreed with you; in no case will you be charged any fees for this repayment.

If you have requested that the services should start during the withdrawal period, you must pay us a reasonable amount corresponding to the proportion of the services already provided up to the time you inform us of the exercise of the right of withdrawal with regard to this contract compared to the total scope of the services provided for in the contract.

Exclusion of the right of withdrawal

Your right of withdrawal expires prematurely if we have provided the service owed in full and have only started to perform the service after you have given your express consent to this and at the same time confirmed your knowledge that you will lose your right of withdrawal if we have fully fulfilled the contract.
